

# RAISE YOUR GAME:

## *WHAT THE HIGHEST PERFORMERS DO DURING UNSEEN HOURS*

The key to raising your performance, improving your leadership and maximizing your impact lies in your ability to master the fundamentals (“never get bored with the basic”) and to focus on the 3 most important professional relationships:

1. Yourself
2. Those on your team
3. Those that you serve

This can only be achieved by utilizing effective strategies for filling your bucket (so you can pour into others), living present, actively listen, embracing change, and closing Performance Gaps (the gap between knowing and doing).

In this powerful program, Alan teaches participants how to master the unseen hours by utilizing the mindsets, rituals, and routines of world-class athletes and coaches.

Regardless of title or tenure, this program is essential for anyone who wants to raise his or her leadership performance and personal influence.

Attendees walk away with actionable steps that can be implemented immediately to:

- Heighten self-awareness
- Improve productivity
- Create winning habits
- Inspire teamwork
- Maximize impact

“We have had Alan speak at four of our events in the past 18 months... and have experienced an unparalleled 26% growth in sales during that span. He has been a key part of our high performance culture.”
